### PLAYER ELIGIBILITY

1. Team rosters are not to exceed 12 players and are due by the first scheduled match. Any additional players must be added to team rosters on or before *Friday, February 19, 2016*.
2. Players may only be on one team roster in the league and **cannot play on multiple teams within a league**. For example, a player cannot play on an upper division team and also on a middle or lower division team. Each player can be on only one team. Women can be on an Open Division team and a Women's Division team. Currently we have two leagues – Tuesday Open and Wednesday Women's and each have three divisions.
3. The team Manager/Captain is responsible to supply proof of team roster and player additions (e.g. roster, player add form or receipt) in the event of team/player eligibility questions. Upon request, the game official can check player's identification and check it against the roster. Playing with an unregistered/illegal player(s) will result in automatic forfeiture of entire match and possible expulsion from the league.
4. Players must play in a least one regular season match in order to be eligible for playing in the post-season tournament.
5. Players must be 18 years old **and** their graduating class has graduated from high school.

### TEAM / PLAYER CONDUCT

1. If an individual receives two (2) warnings (yellow card) or an ejection (red card) during the course of the season, they must sit-out the rest of the current match as well as the next two (2) scheduled matches. Two (2) ejections during the course of the league will result in a total ban from the league and potential future seasons/leagues. Any warning or ejections may result in a total ban for the team and/or individual(s) from league play as determined by the League Director.
2. Protest of match must be made by team captain and filed with your official. Protest must be made the same day of your scheduled match. It must be in writing and attached to the official scorecard. Review will be made by the League Director.

In the event of a game cancellation due to weather, games may be rescheduled on a weekend or weeknight other than the regular game night.
2. A league match shall consist of four (4) games with a one (1) hour and twenty (20) minute time limit. Standings will be based on amount of games won and lost. Post-Season matches will consist of the best three (3) out of five (5) games with a one (1) hour and thirty (30) minute time limit.
3. In the event that a match utilizes the full amount of time, there will be a five (5) minute period before the following match begins. That match will still have the full allotted time limit and start and end time will be adjusted accordingly.
4. Service determined by coin toss. Winners have choice of side or service. For Post-Season matches, in the event of a fifth game, a coin toss will determine side and service. Teams do not change sides in the middle of the fifth game.
5. Team shall be composed of six (6) players but may play with a minimum of four (4). For the Open League there are no gender requirements for being on the court.
6. Any team not fielding a minimum of four (4) players at the official scheduled start time will automatically forfeit game one (1). Game two (2) will be declared a forfeit if a team is unable to field a minimum of four (4) players ten (10) minutes after the designated start time, game three (3) twenty (20) minutes after the designated start time and game four (4) thirty (30) minutes after the designated start time.
7. A team is allowed one (1) forfeiture without prior notification to Kent Parks. Any further forfeiture without proper notice may result in that team's exclusion from further participation in league play. Team's league fee will not be refunded.
